OFFICE OF PETITIONS

In re Application of :  
Ziech et al. : DECISION ON APPLICATION  
Application No. 10/813,713 : FOR  
Filed: March 31, 2004 : PATENT TERM ADJUSTMENT  
Atty Docket No. 60680-636 :

This is a decision on the "APPLICATION FOR PATENT TERM ADJUSTMENT," filed December 26, 2006. Applicants request that the initial determination of patent term adjustment under 35 U.S.C. 154(b) be corrected from two hundred seventy (270) days to three hundred (300) days.

The application for patent term adjustment is **GRANTED**.

The Office has updated the PAIR screen to reflect that the correct Patent Term Adjustment (PTA) determination at the time of the mailing of the notice of allowance is three hundred (300) days. A copy of the updated PAIR screen, showing the correct determination, is enclosed.

On September 26, 2006, the Office mailed the Determination of Patent Term Adjustment under 35 U.S.C. 154(b) in the above-identified application. The Notice stated that the patent term adjustment (PTA) to date is 270 days. On December 26, 2006, applicants timely submitted the instant application for patent term adjustment<sup>1</sup>. Applicants state that their response to the restriction requirement mailed March 31, 2006 was filed on May 1, 2006, not April 1, 2006. Accordingly, the reduction pursuant to 37 CFR 1.704(c)(8) for the filing of an Information Disclosure Statement (IDS) on May 5, 2006, should have been 4 days, not 34 days.

<sup>1</sup> PALM records indicate that the Issue Payment was filed on December 26, 2006.

Applicants state that the application is not subject to a terminal disclaimer.

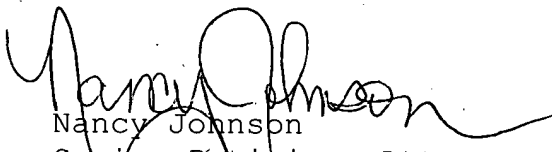

Applicants are correct. The application history confirms that the election was filed electronically on May 1, 2006. This was still within three months of the mailing of the restriction requirement on March 31, 2006. The IDS was subsequently filed on May 5, 2006. Accordingly, the period of reduction pursuant to 37 CFR 1.704(c)(8) is 4 days.

In view thereof, the correct determination of patent term adjustment at the time of the mailing of the notice of allowance is 300 days.

Receipt of the \$200.00 fee set forth in 37 CFR 1.18(e) is acknowledged. No additional fees are required.

The application is being forwarded to the Office of Patent Publication for issuance of the patent. The patent term adjustment indicated on the patent will include any additional patent term adjustment accrued for Office delay in issuing the patent after payment of the issue fee and all outstanding requirements having been met.

Telephone inquiries specific to this matter should be directed to the undersigned at (571) 272-3219.
